

In re Patent Application of:
KASPER ET AL.
Serial No. 10/785,372
Filing Date: Feb. 24, 2004

REMARKS

Claims 38-68 remain in this application. Claims 1-37 have been cancelled.

Applicants thank the Examiner for the detailed study of the application and prior art. Applicants have corrected the abstract to remove the language "such as . . ." and submitted a Terminal Disclaimer to overcome the obviousness-type double patenting rejection over claims in U.S. Patent No. 6,717,910.

Applicants contend that the present case is in condition for allowance and respectfully requests that the Examiner issue a Notice of Allowance and Issue Fee Due. If the Examiner has any questions or suggestions for placing this case in condition for allowance, the undersigned attorney would appreciate a telephone call.

Respectfully submitted,

RICHARD K. WARTHER
